

BEWARE OF DOGS

Philippians 3:2a
(BLEPTE TON KUNAS)
Emmanuel, Adeoye
(Evangelist)

REASONS FOR HIS LETTER

- To inform the church of his prison condition
- He explains Epaphroditus's premature return home
- To settle discord between eu0dias and Syntyche
- Generally, encourage them in the lord
- He cautions them about their enemies (dogs)

The Jews are no longer children, once the Gentiles were called dogs but now the Jews.

CHARACTERISTICS OF A DOG

- **DOGS ARE HARMFUL**

DOGS INFLICTS RABBIS TO MAN

Once rabbis virus reach the spinal cord and brain, rabbis is almost fatal. However, the virus typically takes 10days-usually 30-50 days to reach the brain (depending of bite location) during that interval, measures can be taken to stop the virus and help prevent death.
